- View in-progress and completed applications for ALL funders
- Use search  to quickly find application
- Change view by selecting columns  that display
- Easily sort columns by clicking on column
- Easily delete or share work with a 'group' (see page 6 on creating groups) by clicking

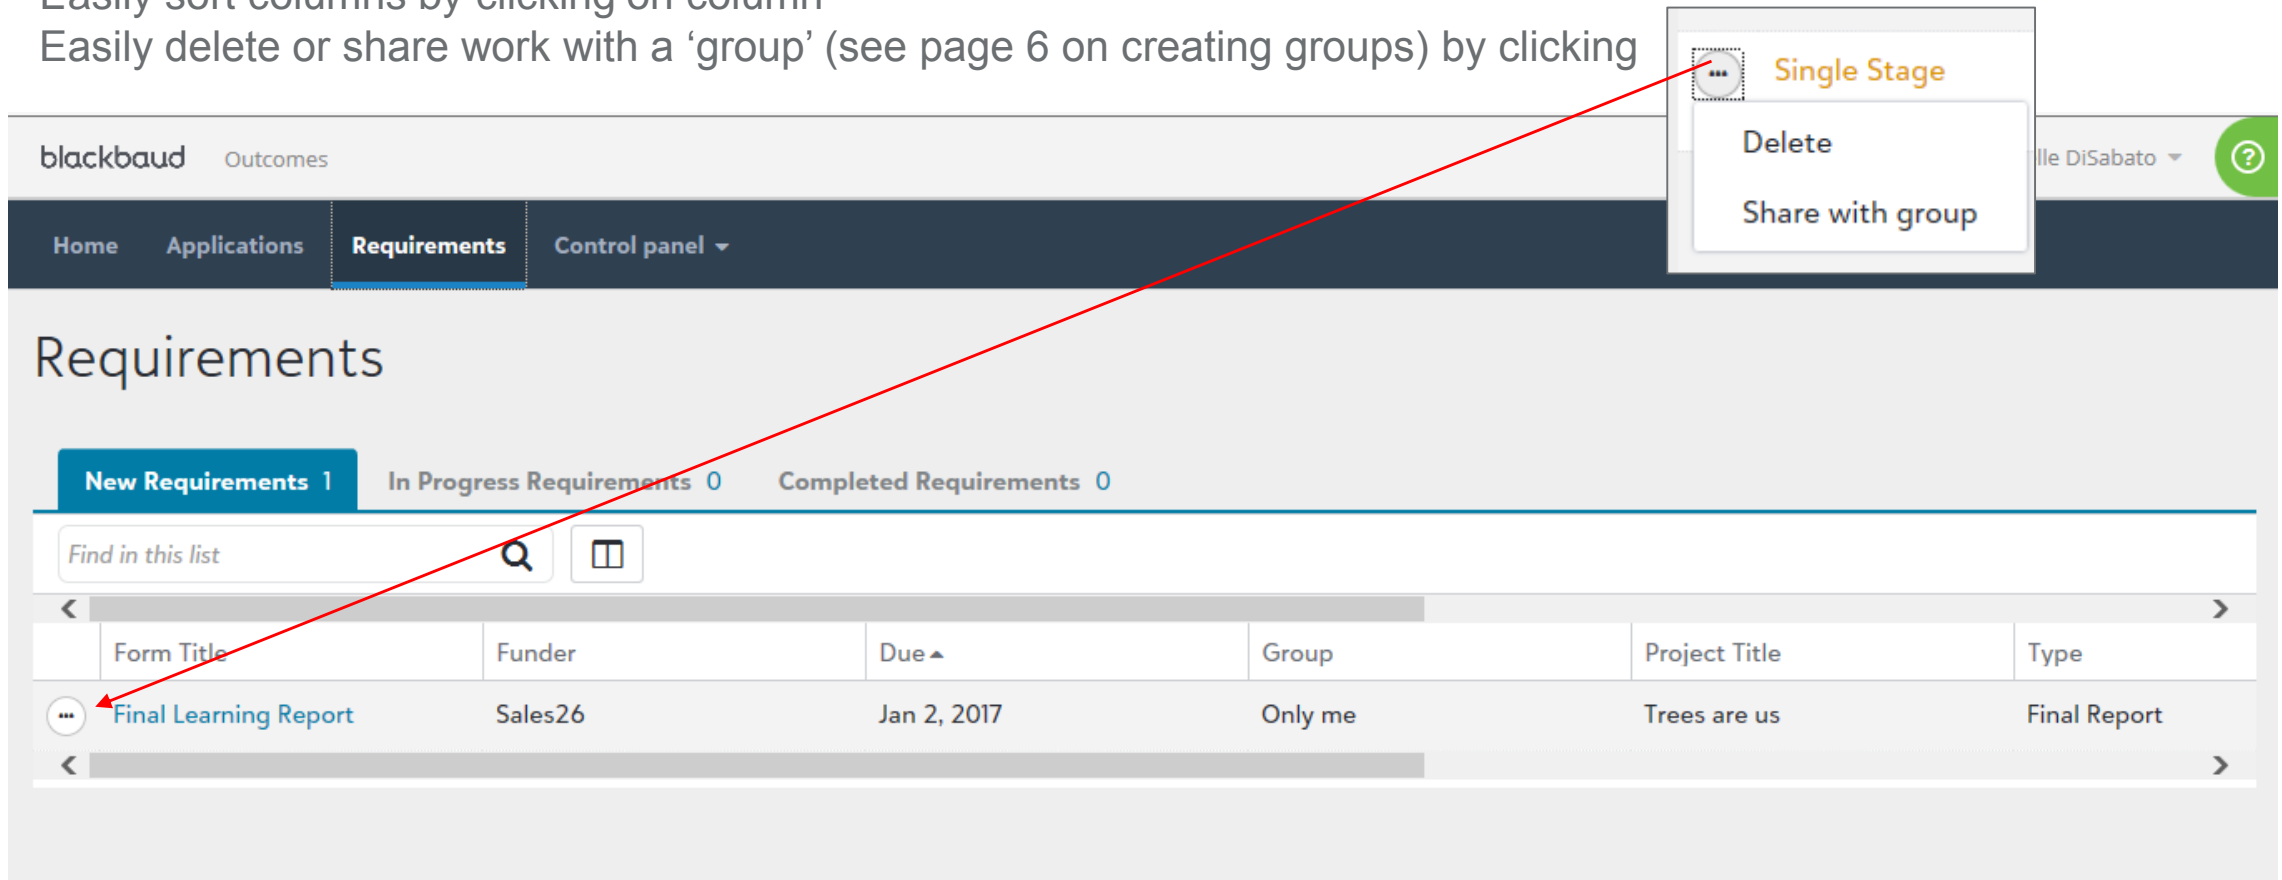

The screenshot shows the Blackbaud Outcomes NPO Portal Applications page. The page has a dark blue navigation bar with 'Home', 'Applications', 'Requirements', and 'Control panel' tabs. Below the navigation bar, the page title 'Applications' is displayed. There are two tabs for 'In Progress Applications 57' and 'Completed Applications 29'. A search bar with the placeholder 'Find in this list' and a table view icon is present. The table has columns for Type, Form Title, Funder, Change Date, Group, Request Amount, Project Title, and Applicant ID. Two rows of data are visible, both for 'Single Stage' applications. A context menu is open over the first row, showing options: 'Single Stage', 'Delete', and 'Share with group'. A red arrow points from the 'Single Stage' option in the menu to the 'Single Stage' icon in the table row.

Blackbaud Outcomes: NPO Portal – Control Panel

- Groups enable you to work collaboratively within the NPO Portal
- Create a group by clicking 'Add Group'
- Name group and add emails for those you wish to invite to group
- Share with group – go to home page (outcomes progress updates), applications or requirements and click  next to the item you wish to share to assign group

The screenshot displays the Blackbaud Outcomes NPO Portal Control Panel. The main page is titled "Manage Groups" and features a navigation bar with "Home", "Applications", "Requirements", and "Control panel". Below the navigation bar, there is a search bar with the text "Find in this list" and a search icon. A table lists the groups, with one group named "Measurement Task Force" having 1 member, 1 progress update, and 1 application. An "Add group" modal is open on the right side of the screen, allowing users to create a new group. The modal includes a "Group name" field, a description, and two "Email address" fields for inviting others to the group. The modal also has "Add group" and "Cancel" buttons.
