Temporary Parking for the Downtown Campus

City Center
Wayne County Community College District

Police Authority • 313-496-2800

As we proudly break ground for the WCCCD City Center/Health and Wellness Education Center, we are making every effort to assist students, faculty and staff in parking and accessing our Downtown Campus and the District Office Building throughout the construction phase. Posted signage throughout the campus and additional safety officers will be added to direct students, faculty and staff to designated parking and building entrances. Lots 1 and 2 along Fort Street have been blocked off to begin

construction! Students will have access to Lots 3, 4, 5 and 6; faculty and staff will have access to Lot 7. Additional handicap parking access has been identified adjacent to the campus building at both the Lot 4 and Lot 5 building entrances.

Thank you for your cooperation! If we can further assist you in any way until the completion of this exciting City Center complex for our students and the community, please do not hesitate to ask.

KEY

- **Lot 1 - Construction**
- **Lot 2 - Staging Area**
- **Lots 3 – 6 - Student Parking Only**
- **Lot 7 - Faculty and Staff Parking Only**
