ENERGYCAREERS 2021
10.20.21 — A Virtual Career Event from the —
Center for Energy Workforce Development

Michigan Energy Workforce Development Consortium (MEWDC) is an industry-led partnership of more than 50 representatives of industry, workforce, education and veterans. It was established in 2009 to address current and future workforce issues that are crucial to building and sustaining Michigan's energy industry. [Please see our members here.](#)
