

MIGreenPower Community Impact
Solar Council Meeting - Agenda
Wednesday, January 25, 2022

Attendance

- DTE: Stephen Houston, Joel Miller Knox Cameron
- MPSC Staff: Cody Matthews
- Vote Solar:
- Guide house: Sahil Popli
- Community Representatives: Janis Hazel

Agenda

- 1) Charter Review Current Responsibilities:
 - a) Interface with the three (3) pilot cities to determine possible locations in the three (3) communities.
 - b) Solicit proposed project locations and formats within the cities.
 - c) Review potential projects to determine if they
 - 1) Meet certain minimum requirements for a project that DTE will provide,
E.g. 1.25 - 7 Acres
 - 2) Have sufficient community support
E.g. Survey
 - 3) Have sufficient funding.
- 2) Recap of 2022

What went right?	What went wrong?
Council formed (talking to River Rouge replacement)	River Rouge council member resigned
Administered survey – Positive feedback	Nonprofit not selected to host funds
---	No land has been identified in any region
---	No fundraiser ideas

- 3) Review Survey Summary
- 4) Community Representative Report Out on progress on identifying land parcels that can sustain requests
 - a) Detroit
 - b) Highland Park
 - c) River Rouge
- 5) Identifying independent nonprofit structure to host funds

Action Items

- Deeper dive into survey results (context)
- Continue progression with River Rouge replacement
