Review Action Items

Agenda

- RFI Update
 - o Solar Council discussed DTE's RFI update; internal team continuing to develop RFI process and questions; Solar Council discussed plan for having one form that is more technical in nature and a developing a second general form to gather input from non-developers and residents
- Community Partner Meeting Review
 - o Discussed July 12th meeting date – proposal to move the Community Partner meeting for first week of August; suggestion to avoid the 2nd due to election day
 - Tentatively aiming for Thursday, August 4th from 12-1pm EST
 - o Solar Council briefly discussed corporate communication suggestions for presentation and what information to share in presentation on fundraising; discussed including a plug for the website go-live date in August but agreed it may not be the right audience to do a deep dive into fundraising
 - o Solar Council discussed fundraising opportunities at a high level including the need to market the pilot through various pathways and meet with community leaders (including municipal leaders) separately
 - Suggestion to be timely with marketing/promoting of pilot
