

MIGreenPower Community Impact

Solar Council Meeting - Agenda

Tuesday, November 15, 2022

Attendance

- DTE: Kelsey Tremberth, Stephen Houston
- MPSC Staff: Cody Matthews
- Vote Solar: Will Kenworthy
- Guide house: Sahil Popli
- Community Representatives: Janis Hazel, Juan Shannon

Agenda

- Updates
 - o Survey Review
 - o Survey Distribution

Action Items

- Need to be completed
 - o Get information for a new river rouge representative
 - o Get survey link to allow council to share via outreach mediums
 - o DTE to provide to Solar Council members the demographic breakdown of email addresses DTE has to send to MIGreenPower Community Impact Pilot Survey for Community Input. Demographic breakdown of emails was to have been provided to Solar Council members by DTE's Survey Expert Michael J. Kramer at the November 15, 2022 meeting, but no data was provided.
 - o Demographics to include age, race, sex and geographic location or zip codes.
 - o To include how many email addresses DTE has to send to each of the pilot cities (Detroit, River Rouge and Highland Park).
 - o DTE to provide number of emails for survey sample to be sent the MIGreenPower Community Impact Pilot Survey for Community Input to each community.

Highlighted- No information available regarding Janis Hazel request. -Stephen Houston, DTE Energy
